Third Annual "New Dancer Ball" Sunday, May 27, 2018

FEATURING: BRONC WISE

Many dancers feel that Bronc's smooth flowing hash calls are like "floating on air". They might also warn you to watch out for a twinkle in those big, brown eyes, as Bronc is a fine hash-calling technician known for inventive and challenging Mainstream maneuvers.

"Club members, bring your recent graduates..... this is an excellent opportunity for all to dance to one of the best callers in the world." ~ Bill Mager

CASDC designed this dance to be a welcoming into the square dance activity for all the area dancers who recently completed a Mainstream class. These new dancers will experience an exciting afternoon of dancing with a large group of experienced dancers who will be led by an exciting caller. Bronc Wise will create an afternoon of exciting square dancing for us all. Please, plan to join us.
